“ Lennie and Pete ,
Your dad has been in my thoughts as have both of you many times over the years. I am so sorry to learn of his passing he really was a great dad and I loved him very much. I was especially thinking about more lately because my daughter is interested in going to Ohio State, wouldn't that be ironic.
Take care,
Darla

“ Dear Family of Merle,

I will really miss your father. I have enjoyed his company for the past several years while working at Dr. Colby's. Merle was such a nice gentleman and it was my honor to have gotten to know him.

“ *I loved you Uncle Merle. You were always kind and loving, and had such a sweet spirit. I could count on you for support, and I knew you would be there for me. You held a special place in my heart, and now there is a void that can never be filled. I am extremely fortunate to have had an uncle like you. Your loving niece, Dottie*
