“ *My thoughts and prayers are with each of you in this time of sorrow.
My God help you through this. Candy always knew how to make
each of us smile and laugh. My best memory was when we were in
Kimbolton and Kathleen and I was trying to get him to walk and he
didn't want to with his brace he tried to take it off and throw it away.
We laughed so hard about that. He was such a great man.
God Bless each of you,
My deepest sympathy,
