“ I'm so sorry to hear of Michael's passing. I send my deepest condolences to Michael's Family.  
I met Michael on the computer through Pogo.com. We would play bowling for hours and talking over the phone ... sometimes till the early morning hours. Talking about life as we got to know each other over the past two years. I will miss him! I would lite up when I would see his name appear on my screen. I will remember him with the things he told me..his love of Watermelon, Cherry drink or Cherry Candles. His mom's cooking. His favorite music.His love of Fishing at the lake. His dog Zack and lastly the black squrirel that would show up each morning wanting something to eat.  
Michael, know that you where my best friend and I Loved you dearly and that I miss you so much! Till we met again, my dear friend, I will keep you close in my heart, thoughts and prayers. One last time Michael,"I give you a Kiss on your Heart".  
With much Love Michael, I will always be your Nanner
