Tribute Wall

“ Our deepest sympathy to all of Sally's family and friends. We grieve with you in your loss. Sally's mother and our mother (Faye Brown) were sisters. The families were quite close, so we have fond memories of growing up together. Although we moved away from the area and the miles and years separated us, we still hold those memories in our hearts. We regret that we could not attend her calling hours and service. May the Lord give you peace and comfort at this difficult time.
