“ *Jim and family,*

*Just read of your fathers death. I was just reflecting on being a regular stop on my old Boyertown Casket route. Your father and Mr. McVay were some of my favorite professional funeral directors. I must admit that I learned a great deal from them and it was a pleasure to stop. I know that you will continue in that tradition of excellence in service.*

“ *Mr. Law taught me during the time I worked for him many aspects of not only at the funeral home but in everyday working with people. He taught me the responsibility of the importance of caring for everyone who passed through the funeral home. I carried that value 'til this day. You are gone Mr. Law, but I will never forget you. Thanks for being a part of my life. Heaven is worthy of your presence. God bless the family of Mr. Law, Robert "Bob" Watkins--- Former Police Chief of New Concord*
