“ Terry & I both have happy memories of Minnie. The many hours of hard work & delicious dishes she brought to various gatherings at the airport. Always volunteering for whatever needed organized and done. She was always cheerful and made everyone else that way in her presence. we extend our sympathy to all the family and grieve her all to brief life. But also celebrate her life with you and the comfort in knowing she is no longer ill, and once again with Joe. May God comfort & bless you all in this difficult time. Karen and Terry Losego
