“ I knew the beautiful Mollie when she worked at Burger King years ago. She always made my young family feel at home and welcome as we grabbed a quick meal; made it feel like a date night. “ I was a new mom with a colicky infant. Mrs. Dudley came from Ohio and was visiting Jules. Barely knowing me, yet having met my husband from hunting, she took time out of her visit to come give my husband and I a much needed break! We were able to go out with Jules and Don and enjoy a fun night. When we got home, albeit with a few hairs out of place, she met us with a smile and told us how wonderful our little girl was, saying she's so it again in a heartbeat. I'll never forget her selflessness and loving nature. She was the mom I needed since mine had passed. Thank you Mrs Dudley... you are forever in my heart ❤️. Dawn Szymaszek and family
