“ When Monty was just a child his big brother brought him to me so I could give him a hair cut. Many hours spent with him trading insults and sarcasm, but we loved every minute of it. He had a very gentle kind soul, bold on the outside. Whenever I needed words of wisdom he was there regardless if I liked it or not. That is what made him so special. Monty, you touched a lot of lives and honey you will never and I stress never be forgotten. May you find happiness and laughter in heaven. Love you big guy!!!
