“ Nancy helped me when I moved to Arizona in 1982. She let me sleep on the floor of her one bedroom apt until I got my stuff together. I will always be grateful for having known her. RIP Nancy and thanks for everything! with love Cathey

“ Nancy was my sister. Her death was unexpected and tragic. Wish she was still here. It would make putting up with Cambridge more bearable. She had a son Nick who passed away in November, 2016. She has a grandson named Hayden who will be 13 in November. She never got to meet him. He was born 2 months after she passed away. Her death was totally a shock and to me preventable. I wish I would turn back the clock and help her more. Then she would still be here. She was my little sister. She has an older sister Vickie. A niece and 3 nephews. Her mom and dad passed away. Till we meet again Nancy.
