“ I don't even know what to say here... I had a whole paragraph typed, and deleted it.

Nancy, you were strong, smart, independent, generous, kind, solid, amazing, ornery and FUN... and I could go on and on. You have left us all with such a hole in our hearts and lives. It just doesn't seem real that you are not with us anymore. It won't be right to go to football games and have you not be there, or to walk into the shop and go into the office and not have you in there doing paper work, answering phones and playing with Sophie.

Thank you for the times you welcomed Courtney and I into your home and your family... You have no idea how much you helped me these past two years. I was lost and distraught, but you made me see I was better off.. and you made me laugh. I will miss you so much.

Our thoughts and prayers go out to you, Nancy.. and to those dear to you... Harold, Jennifer, James & Sarah, Jessica, Kallysta, Codey, Lydia and Catherine... and your whole extended family. We lift you all up in prayer.

Rest in sweet peace, dear lady. Bask in the warmth of our Heavenly Father's love until we meet again one day. You ARE Forever Loved and Sadly Missed.
