“ Our heartfelt condolences to the family of Nancy Kocsis. She was a wonderful caregiver for Robert, Paul and Clint. They have great memories of the time spent in her care. I especially remember the fantastic Batman costume she made for Clint one Halloween. Blessings to your family at this time of loss. Love from the Barstows

So sorry for the loss of your mother. When Tim Auten was a student at Smithville my son, Fritz and Tim were close friends. He spent a lot of time at our house and helped my husband work on his trucks. His love of trucks was a big help. When he died he was buried in Smithville Cemetery. My husband's mother and father were buried there also. We noticed that no one planted flowers at Tim's grave, so we started doing it. My husband died in 2018 and i continue to take care of Tim. I'm not asking for thanks, just wanted to let you know how special Tim was to our whole family. Beverly Caskey 7/10/20

“ *Holly & Family,*

Please accept our most sincere condolences on the passing of your mom "aka" grandma to some of you. I remember here being there at the fair to see the kids and she always acted like she loved to watch them show their animals. This will be a difficult time for all of you but hold on to the good memories. They last a lifetime.
