“ Jeff...I did not know you personally, but Nancy spoke of you often. I grew up with Nancy in Mogadore. She was a big tomboy and played football, basketball, and anything else that us boys played. They lived right across the street from us. We moved when I was around 12 years old to Tennessee where we were from. Time went by and I think I started looking for Nancy on classmates and finally reached her by leaving a message with her mother. Since then, we have been sending e-mail junk back and forth just to stay in touch. I had no idea she was ill and she never let on. I cannot tell you how sad this leaves me. She was a friend throughout my life and I will miss her!##imported-begin##Phil Florence##imported-end##

“ I was shocked and deeply saddened to learn of Nancy's passing. We were great buds when Nancy was living/working up in Akron. I will never forget the endless laughs and good times we shared. Nancy will surely be missed. She will, of course, be making them smile in heaven. My heart goes out to her family at this very very difficult time. Please know you are in my thoughts and prayers.##imported-begin##Carol Clary##imported-end##

“ *Words cannot express the the sadness I feel at finding out Nancy is gone. I have known her since she was 3 years old. We stayed in touch over the years and I often thought about her since her mother passed away. I know how much she loved animals and I pray she is at peace. My prayers go out to the family.###imported-begin##nadine bechtel###imported-end##*
