“ We met Nancy and John when we took our 1st trip to Hillview a few years ago. With open arms, they let us into their camping family. Nancy always had a smile on her face and loved to laugh. She will be truly missed. We light this candle in her memory and know that she is looking down upon us with that great smile.

“ John Henry,
It's been a long time since I have seen or talked to you and I am so sorry it has to be under these conditions. I have never forgotten you and Nancy, and you helped me so much through a difficult time, back in the day and I appreciate that more than I can say. I am so sorry for your loss and wish I would've known sooner to add my support. I know the bond and love you and Nancy shared in your lives and few people are so fortunate. If there is anything I could possibly do for you please let me know!

“ Words cannot express how much Nancy and John have meant to us. Nancy was the sister I never had. I could talk to her about anything. John has been more of a brother to me than my own brother. I cannot even imagine what it will be like without her at Hillview. Never hearing the "well hello there" again. When we would have a situation and we would be talking on the radio's, one night she could not think of SUV, so she said FUV. We always said she had some blonde in those roots. Ruthie and I lost a dear dear friend. God has a great one with him now.

“ John, my family sends our deepest regrets. So many wonderful memories and I hate that we were far enough away that our jobs, kids, etc took away chances to see you both. We will always remember staying at the campground. That was such a great time. Nancy was always so loving and kind. She was a GREAT aunt and seeing her smile on this page sure brought a smile to my face.

It is my understanding that we will have a ceremony with family up here so I will look forward to seeing you then.

With all our love,

Tom, Julie, Tyler and Lindsay

“ Nancy and John lived about one block from us in Lima, Ohio. John worked very hard so that they could fulfill their dream of owning the campground in Cambridge. She was a very kind and thoughtful person and was the perfect mate for John. They worked very well together and it was obvious that they were very much in love with each other. John, please accept our sincerest condolences on the loss of your beloved Nancy. Sincerely, Skip, Sunny, Nathan 4th, Mary and Katie Woodhull Lima, Ohio

“ Nancy, you were always the highlight of our camping times. Walks to the store just to chat with you. I will always remember a time we had our grandchildren with us, and we sat at the store and watch the girls jump in a water puddle. They were soaked and you just giggled and told me, " these will be wonderful memories!" You will be a big part of those memories, as the girls just loved you as Hank and I did! R.I.P. Nancy.
