“ I am so, so sincerely sorry for your family, Natalie. You were/are such a beautiful young woman, and it truly breaks my heart in a deep, saddening way how tried and tortured you must have been up until your passing. I remember how touched I was when everybody posted on this same website when my father passed, so I wanted to make sure I said something to you. I remember you asking me for advice shortly after my son was born. And I gave it to you, young, stupid and unwise. Now I am older. Less stupid. A tad bit wiser...and I wish I could have told you new things, fresh advice, more insight before you left us. I am simply and happily praying for your soul. May you rest in piece, beautiful angel.
