“ *What a beautiful lady...even though I never had the privilege to meet her in person, the photos that her family shared with me radiated beauty, inside and out. I'm amazed when I hear of the many, many lives she touched. My thoughts and prayers are with you and your family, Corina.*

“ Aunt Nellie, such a pretty lady, and always a lady. She baby sat our oldest daughter, Rita, when she was just little, and I started to work at RCA. Wasn't a better cook or baker anywhere than Nellie. She always had a smile just to let you know she was glad to see you. She raised a family that she was proud of. A privilege to know them all. So sorry for your loss. Emerson & Lucille Christman

“ Dear Bill, Don, Jan, and Judy,

*Regardless of their age it is always difficult when your parents especially, your mother passes away. The sorrow will always be with you but the many fond memories you have of her will always be remembered. Your mother was a true influence on each one of you. It is a trait sorely lacking in today's society. Dixie and I share your loss and will remember your mother in our prayers. Our thoughts are with you during this time of sorrow.*

*Warmest regards,  
Bill and Dixie*

“ *Nellie is my cousin and she will be missed. My wife and I visited with her often in her mobile home and in the nursing home where we shared many memories of times past. Nellie and I knew a lot of the same people who were members of our families and she helped me greatly with my genealogy of the Tillett family. I know she is now enjoying a grand reunion with her already departed family members and friends.*
