“ *Dear Patty et Al,
My heart is crying with you. Years ago she said to me "Just don't
forget me" - as if anyone could. Your mom was a lady - with a style
of her own & high standards - a true friend, a smile from a happy
heart no matter the heartache life threw at her, and an acceptance
and kindness of the differences between people. She was a kind
and true friend to me for many years. She even made me laugh
which is hard to do!*

*Though I can't be there physically, I will be in spirit & she will always
be with me also - we both loved frogs!*

My heartfelt, loving hugs for each of you.
