“Norma is my aunt; George is my Dad's brother. I was 10 years old the first time I met Norma and George when our family made a road trip from Washington State back to Cambridge, Ohio. I immediately felt a connection to Norma and George and they continue to be my favorite aunt and uncle on my Dad's side (out of a family of 13!).

*Education and strong family values were very important to Norma; her passion for these made a huge impression on me. I saw how wonderful their family was and what an incredible job Norma had done, along with my Uncle George, in building a strong family that carried those values forward. Something about my Aunt Norma's dedication to those values has stayed with me all these long years. Norma's influence embedded in me a deep desire for a college education, which I was eventually able to achieve.*

*I am glad that my Dad, Ellis Max Gibson, moved our family out to Washington State, however, had we stayed in Ohio, I know that I would have learned a lot from Norma. I love Norma and George very much, having always felt close to them.*

*Norma and George made a trip out to Washington State along with another brother and his wife, Sam and Marge. I loved being able to show them my favorite tourist places in Seattle and thrilled to be able to spend time with them, although I'm sure I wore them out running them all over Seattle!*

*I was able to spend time with Norma a total of 4 times over the course of my life but always felt close to my Aunt Norma and my Uncle George.*

*My love to all those who were fortunate to spend time with Norma.*

*With my love, Kathy (Gibson) Townsend  
Everett, Washington State*

“ *I am so sorry to hear of Norma's passing. I have known her and the Gibson family since I was a child at First Baptist Church in Cambridge, OH. When my brother was a Cub Scout, I recall Norma and my Mother serving as pack leaders because no one else stepped up to sponsor a troop for the boys. I will be thinking of the Gibson family and sending strength. Jan Cain Castle*
