“ Norma, what can I say? You taught me so much. I am blessed to have known you and shared so many personal and private times with you, Thank You. I will, each and every day, think of you and smile, for we have shared enough throughout the years that I will have a wonderful and at times humerous memory for every day that I have left.

To Eddie, Jeff, Amy and Meagan, I am saddened for you at the lose of your mother and grandmother, and I am sure that I don't need to tell how much she loved all of you. May each day help ease the saddness and pain that you must feel.

Thank You for being part of mine and so many other lives.

Love
