“ It is with great sadness that we learned of your dad's passing. Our dad, Carl Schoonover, was a life long friend of Cash. He treasured that friendship and they continued to talk on the phone even when they could no longer visit one another until our dad passed away in 2017. When we were kids and lived in Canton, we remembered visiting Cambridge and your family in the 50's when Route 77 took your house and there were piles of dirt being moved as the road was being put in, when your dad had a squirrel that lived in the house and your mom's wonderful laugh. Such happy times, know that Carl and Cash are together again. May he rest in peace. It meant so much when Penny called us after dad passed away. Know that you and your family are in our thoughts and prayers. The Schoonover girls, Cindy Pollard, Sue Belopotosky, Sally Russ, Barb Bannister and Mary Jo Myers.

“ *Don and I always looked forward to Cash's visit with Penny to our  
Christmas tree farm to get their trees. We had them come by  
appointment so we would have time to visit. We loved hearing his  
stories, especially about his WWII military service. He was always  
humble but in our minds he was a true hero!*

*I met Cash Misel several years ago. I remember my Mother and Father talking about him (Erna Garrett Burris and Herbert Burris). I remember meeting his Mother, usually at the A&P Store (that really dates me, doesn't it?). To his son Cash and Cheryl and the rest of the family, too; you have our deepest sympathies. Rest in peace, Cash.
