Orville will be missed by so many people that he has touched. He dearly loved his wife Bertha and the Bible. He is now the happiest man in the world, to be with his wife and his creator. I will miss our weekly visits.

“ I sat in his living room as he told stories of his faith and his love for the Lord. He truly missed his wife and was ready to go meet her in Heaven. I loved listening to him recall so many experiences from long ago. I'll not forget those visits. I'll miss you, Orville.
