“ Thee are no words that can express my sadness at the loss of your Mom, Grandma, and Great Grandma. She will be greatly missed by her family and by her friends. Her pride and love for all her family members was apparent in every conversation we had. Robin, your devotion to taking care of her was a great source of comfort to her even as she hid the potato chips! Her gentleness and kindness were part of her very being and I will miss our conversations and visits. May the knowledge that she is with Kenny, freed from the earthly anchors she carried bring peace to all of you. I truly believe she is in a better place and at peace but I will always miss her.

“ Robin, Dawn and Shane and families, I am so sorry for the loss of your mother, mother-in-law, grandma and great grandma. Even though the miles have separated us for so many years, you all have always been in my heart and my thoughts.

One of my fondest memories is your dear, sweet sister Heather. Another is of your mother resting a big 'ol bowl of popcorn on her large, pregnant belly and eating it while each of you kicked away! I think it was Shane who actually kicked it off!

The last humorous memory is of her immense fear of spiders. I would get phone calls from her screeching into my ear to get up to her house immediately to kill a spider that was lurking in a pile of dirty clothes in front of the washer!
