“ Gary was a wonderful person. My mother was a Fahner and Gary and her brothers were the gang in East Cambridge. During my mother long illness and death Gary was there for her and our family. My mother passed in December, 2004 and Gary was not well but was there for her sevices. My mother in law passed in March 2005 and through Gary only met her during her short stay at SEORMC he again was there for her and our family. What a wonderful soul. I will always remember Gary and know he will continue to care for us only from up above know. I know the gang is getting together again in a much better place. My deepest condolence for your loss.
