“ *Carla and Don, This was quite a shock to me when Judy called. I had talked with Pat on the phone a while back but you know her she never complained! My thoughts and prayers are with you. I am unable to come to the funeral due to my work obligations. No excused absence for step-mother in law funerals. I will be thinking about you all day though. My love to all, Rossann##imported-begin##Rossann Davis##imported-end##*
