“ *To Cheryl and Debbie, and the rest of the Hartley Family. So sorry for your loss. I have always loved Aunt Patty, and that is what I have always called her. She was still an Aunt to me. She was always so caring and thoughtful. I had just talked to her a week before at Riesbecks. Was so shocked when dad called and told me. Cheryl and Debbie, if you need anything at all don't hesitate to call me.##imported-begin##Beth Ann Hughes Cartner##imported-end##*

“ *Bill and family*

I was shocked to hear about Patty. She was my best friend and cousin through grade school thru high school. If you saw one of us the other one was there. I have a lot of memories spending with her and her family through those years. When I got married and moved away we just lost contact. I was so glad to see her a few weeks ago unfortunately it was at another cousin funeral. She hugged me we asked each other how we were doing and she said she was fine asked about my family. We said we would have to get together sometime. We all are going to miss her smiling face. Your family are in our hearts and prayers.

“ Our world lost a very special person when Pat was called home to our Lord. While we know she is in a much better place, the void that is left in our lives is huge.

Bill, our friendship with you and Pat has grown with the passing of time; hard to believe it has been 35 plus years that we first met in Cambridge. We have been richly blessed ever since with our friendship; through our travels & trips together, time shared memories held dear, and together watching our families grow. It was once said that a man's riches here on earth are not counted in dollars or cents but in true friendship.

We have been together through some great times, sad times and times that only we can share with each other no one else would believe us.

We will miss Pat beyond what can be expressed in words. Know that we have you and the girls in our prayers. We know our Lord will carry all of you through the coming days.

With all our love -##imported-begin##Colleen & Joe DeMarco##imported-end##

“ *Thank you for your kind words & treasured memories of my mother.*

She’s everything you’re sharing and more. She was always mine, my sisters & my husbands' biggest cheerleader. She saw great things in all of us even when it was impossible for us to see it for ourselves. I keep trying to call her, whenever something or nothing happened, needed to know what to wear, or more often than not...needed one of her recipes she was just a call away. Always trying to capture her essence and bring it into my own home. Unfortunately she won’t be on the other end! My mom was one to help, listen, & share her intoxicating personality with you. She was always there for me & I loved her more than life itself. God knows I wasn’t perfect but my Mom always believed in me. As I got older I did get to hear her say she was proud of whom I had become. I will treasure those words for the rest of my life. I loved my Mom! She was brilliant in her elegance and captivated my heart for an eternity!##imported-begin##Kimberly Hartley Litvak##imported-end##

*Patty and I were friends in High School and I have always treasured her friendship from those days.
