“*Garic and family so sorry to hear about your mom. She was a sweet lady and she loved her family so much. She was so proud of all of you. I will hold you all up in prayer. My mom passed away three year ago, and saying good bye to your mom is very hard. My mom said remember me only with laughter, no tears, remember the good times and not the bad, the happy and not the sad. That has stuck with me all this time and when I feel sad and miss her, I think about happy times together and it makes me smile. Hold onto all the good memories you have made together over the years, and cherish each one.*”
