“ Grandpa,  
*I am so thankful that I was able to be home in Ohio for your glorious departing! When I left you that night and got the call that you had passed...I shed a tear, then, looked up at the stars and thought to myself..No Way! I am not going to cry, you are in a much better position than I! You had placed your faith in the shed blood of Jesus Christ and him alone a long time ago! You knew where you were going and that's where you went and I was jealous of your state. "for to depart is far better, for to be absent from the body is to be present with the Lord". So, I praise the Lord that you are now with him and adoring him for the rest of eternity. What a blessing!*  
*I love you so much and am so thankful that I had a Grandpa like you. We all love you and tell your story often. Can't wait to see you again.*  
*In Christ,*
