My heart aches and I wish you all the peace and comfort as you grieve. There are no words that can help ease this deep sadness but know that Paul brought so much happiness and goodness to our lives. He gave me fond cherished memories and I'm so thankful to have been his close friend in high school - I'll miss him dearly. Last summer, I was lucky enough to spend some time with him and his wonderful wife, Sara, along with my brother Pete and John Wolverton. We all shared stories and caught up on our lives. With absolute gratitude, I'll always treasure that day. Farewell my brother – keep a hearty drink ready for when we meet next.
