“ *Dear Canel Family,*

I would like to express my condolences to you for your loss. This is no doubt a difficult time for you all, but there is something that can comfort you during this time. The Bible can give us comfort. It gives us a solid hope of a time when we will see our loved ones again. Notice what the Bible says at John 5:28-29 "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." So take comfort in this scripture knowing that you will see your loved one, Mr. Canel, again in the near future.

With Sympathy,
