“*Rug was a kind and generous man. I personally never got to spend as much time in his company as I would have liked, but I did still get to talk to him from time to time. He was always worried about other people, and he was always doing everything in his power to help a friend in need. Rug was selfless, and he will be greatly missed by everyone who knew him. May he rest peacefully in God's loving arms, and may his friends and family find peace in the knowledge that he has been received into them.*
