“ *Paul had a great memory and love of the geography of Ohio, he knew the location of every town, city, and county. I enjoyed trying to find places he might not have heard of, never did though...He is missed, my heart goes out to his family.*

Paul was a great fellow. My dad thought of him as a son. I can remember sleeping in The lime truck and having my own little red shovel to load lime. My dad Sam Saffell worked for them and i have great memories of going to Lena and Dwrights making home made ice cream. Paul in laws. I can remember helping Vesta move into their first house when Ronnie was a baby. Have a lot of great memories of The Morrisons.

“ Met Paul shortly after moving close by with a team of Percherons. He just had to stop and say hi. That started a friendship that lasted the past 23 years. He'll be missed by all that knew him.

“ Vesta, Ronnie, and Rachel,

I don't know what to say other than I'm heartbroken and share your grief. Dad Morrison was a very special man: honest, hardworking, and a devoted family man.
