You have many treasures in heaven for the great care and attention you gave your father, and your brother, as their health declined, and also to your mother's last four-legged buddy, Miss Becky. I am glad you were there holding your father's hand when the Good Lord called him home. May peace be with you in these difficult times.

“ Lorena, I still remember you and your brother. You both were such wonderful kids. Your mother and father were great parents. I'm sure the canaries are singing a beautiful song.
