“ *To my Sweet Mother-in-law. May she rest in peace.*

“ *My name is Darcel Jackson-Fultz. I remember working side-by-side with Pauline as a co-worker at the State Hospital (Cambridge Developmental Center) for many years. She was the best co-worker to be around. She always had a special calm, kind, and giving personality & heart. She will be sadly missed. You couldn't ask for a sweeter person to be around, talk to, or work side-by-side with. May the Lord Jesus Christ wrap his loving arms around the entire family to comfort them, and place peace within their hearts in their time of sorrow...and forever more. God Bless the Tobin Family.*

“ *Pauline, you raised a beautiful family. William Tobin, "Bill", was always a gentleman, a great friend to me since Bill and I met maybe 40 years ago. We were never really close, However, we ran in the same circles of friends. I always respected his opinions when he spoke. Bill's voice came from his heart. Only a good Mother raises good son's and Soldier's. I never knew your family directly. God is connecting us now.*

Pauline, you have so many things to be grateful for. We will see you in heaven!
