“ *I have known this wonderful lady as far back as I can remember. Aunt Peggy was my mentor growing up and I always looked forward to seeing her and uncle Tom come to visit. Growing up when Peggy & Tom, my mom and dad would sit at the table playing cards I would want to sit with them but couldn't. Peggy would give me a quarter and that just put a smile on my face. As years go by when I was older sitting at the table with them playing cards and the game's they would come up with I would laugh my butt off when my dad looked at Aunt Peggy with a funny face saying " you don't have it" LOL. Those were the good times. I am going to miss a special caring, loveable lady I call AUNT PEGGY. She will be deeply missed.*

“Peggy was one of the funniest, loving, and caring people I have known in my lifetime. All of us kids gave her a run for her money growing up! She will be missed by all that knew her. My heart goes out to her family during this difficult time!

“ So sorry to read of Peggy's passing - I met Peggy in 1955 through her Mom when we both worked at The Lodge Coffee Shop - I saw her last at Susan's funeral - I visited many times my senior year of high school at their home and met many of the relatives. I haven't seen her often through the years but enjoyed talking with her when we did see each other. I came to Cambridge my senior year of high school and the VanDyne family welcomed me into their family. Thanks, Peggy for the memories. Sincerely, Jane Pethel Mathews
