“ Penny & I worked together at BancOhio back in the day....I was the new "kid" on the block and Penny & the rest of truly wonderful co workers welcomed me like part of the family. I loved that job & I loved my boss that made the "Third Floor Girls" a family. We laughed til will cried on a lot of those days but we got our work done! We corresponded a lot on FB and shared a lot of recipes because we both loved to bake. I will never forget her kind & giving nature and heart of gold. Prayers to all her family.....she was one in a million. ❤️❤️❤️

I just met Penny the last couple years a very wonderful person she loved her family and friends with all her heart she welcomed everyone she knew. I am so glad she got to go spend time with those beautiful grandchildren couple weeks ago she was so excited I enjoyed going to the parties that Katie hosted and that's how we met. She loved her extended family babysitting . May you be at peace knowing she's in heaven with God watching over her wonderful family and friends. Sincerely yours Karen Thomas 🙏🙏❤️❤�🙏🙏
