“ My family and I have so many fond memories of Aunt Phyllis! Shawn and I loved going in and sitting and talking about old times. She would tell us stories of when her and my grandmother and other aunts and uncles were kids. One thing was certain about Aunt Phyllis, she always told ya how it was! She didn't care if it offended you or not! She always said the truth hurts sometimes!!! Those are just a few of the memories I have of her. She will be deeply missed by Shawn, my 3 children and myself! Aunt Phyllis, the words of wisdom you gave us on Thursday will be in our hearts forever!!! May you rest in peace eternally with Uncle Jr. and may you reunite with all of our loved ones in heaven!!! Sending love and prayers to all of my famliy and friends that will be missing this wonderful lady.

“ I remember as a kid, when it was time for the Cramblett children to eat or go in for the night, there would be a whistle from Phyllis. You could hear it all over the neighborhood. And it was a little offensive to them if you knocked on the door...Just walk in.
