“ *My deepest sympathy during this difficult time. I remember that your Mom was always there for you while we were growing up. I remember her as a strong woman. When you think of her and talk of her remember the smiles, the support and the lessons she taught you. You are a strong loving family because of who you came from. Keeping you in prayers. “ *Some ladies were just meant to be mothers and Phyllis was certainly one of them. What a great job she did raising "All of those Richard's kids".*

*I knew her mainly as Mike's Mom and Stephanie's Mom, and I think she would've just as well been known to the world as a mom. Always allowing the spotlight to shine on her kids and making sure that they had everything that she could give them.*

*Richards family, I am deeply sorry for your loss Tab LaFollette*

*My great sympathy to all of Phyllis's family. I met Phyllis when we were in the second grade at St. Benedict's school. I think that was 1939. We were best friends all the way through high school and kept in touch for the next sixty years, even though we did not see each other often. She was a great friend and I loved her dearly. God bless you all.*
