“ You may remember Nick was one of my nursery school students. One of my favorites, actually. He was a tender hearted little guy who always seemed to have a twinkle in his eye & a sweet smile. I've never forgotten him.

I just learned of his passing this evening. Had I known earlier, I would've been there today.

One of my children passed at age 30. My heart breaks for all of you, having experienced it myself. If ever you would like to get together, please contact me. I'd love to hear about Nick's life.

I will be lifting you all in prayer. This is truly a "Footprints" time, and the Lord will carry you through it. Love and light to all of you.

I'm thankful Nick was a part of my life!
