“ One of the kindest most Christian people on this earth. He loved it. I told my mother when I introduced her to Willie if I called him at 2 am and told him I needed a thousand dollars,he would bring it to me and never ask why It wouldn't have mattered and he would have done the same for everyone. Thanks for making this world a better place. You will be missed. ❤️to Lynn and family.

“ Lynn, so sorry to hear of Willie's passing. He had a way of making everyone smile with his great sense of humor. I have fond memories of our younger days. The fight and the strength he exhibited was an example to all of us. I will miss him.

“ Sincere sympathy for your loss. I was so sad to hear of his passing. I had the pleasure of taking care of Bill at Southeastern Med from time to time over the last 3 years and he was sincerely one of my favorite patients. I loved when he came in, he was always full of stories and always made me laugh. We had quite the conversations about his corvette, he would always light up telling me about how he loved that car. I will certainly miss my talks with him. He was such a kind soul and I will truly miss him.

“ *My best friend since kindergarten. Shared many good times and comforted each other in the not so good times. He was part of the Hayes hunting trips and family poker games and was always Willie in our family and neighborhood . Mom referred to him as her fourth son. He lived his life in his unique way and seldom looked back. Will miss our long phone chats and updates on shared friends. Rest in peace buddy.*
