“ So sad and sorry to hear of the passing of Rex. Linda and I were fortunate enough to assist Rex and Cheryl with their dream retirement log home - and then convinced them that they should also become dealers like us for Real Log Homes. So many good times and fond memories with them, including deer hunting on Rex's dads farm - whom was a wonderful man and quite a character. Rex was ALWAYS willing to lend a helping hand and do more for others than receive in return. May God's strength, guidance and blessings surround you now Cheryl and the rest of the family during this difficult time knowing that he is no longer suffering and is at peace.
