“ *I remember working with Rich many years ago, when I worked in ER registration and he was working in housekeeping. I always liked rich as he was a hard worker and a very nice person. I know the sicker that he got, He could not work as much. I missed talking to him. I pray that all of his family get peace from God in their lives. They have got to know that he is at peace now, and that his suffering is over. He will be deeply missed, but he is also leaving a lot of good memories.*

“ I am so sorry to learn of Richard's passing. I remember him as the sweet adorable blonde boy with dimples. I remember his Grandma Beal always talking about him when we went by her house to get apples. I know how much he was loved by his family and the Winterset community. May you all find comfort in God's promise.

“ Thoughts and prayers to the Beal family. Have a lot of memories spent with Rich and "the crew". Rich always had a shoulder to lean on when I needed a friend and helped me get through a tough time I was faced with. I know he fought a long hard battle. He was never one to give up without a fight. You were always in my thoughts and you will definitely be missed. Soar high among the angels my friend. R.I.P.

Working at SE MED, I knew Rich as he was a very outgoing and loving person who was friendly and had a smile on his face even though he did not feel good. He seldom complained, but always talked about Cody and he was so proud of his son! He also spoke highly of his parents and how they helped with Cody. His sister, Patricia loved him so much and gave him what most could not. Rich is now with our lord and is at peace. My sympathies go to Cody, his parents and Patricia and all who loved Rich.
