“ A lot of good memories of Rich, he taught me to drive on the turnpike, introduced me to New Jersey . Also was a very patient person and also a very giving person. I have nothing but good things to say about him and his entire family. They say time will heal all things, but in the back of my mind I know that people like Rich only come along once or twice in a lifetime. My deepest sympathy goes out to the entire family in this time of loss.
