Tribute Wall

“ To the Family: My Husband and I would like to express our deepest sympathy for your loss. It is so difficult to lose someone we love. I lost my father and what got me through this difficult time was God's hope for our loved ones. Rev 21: 3&4 says that soon God will do away with pain, suffering and death. Then what is written at John 5: 28, 29 will take place. It says there is going to be a resurrection. During this time, we have the hope of seeing our loved ones again. I have often found comfort from reflecting on God's word and sincerely hope these thoughts will bring comfort and hope to your family.##imported-begin##Evelyn##imported-end##
