“ Living with us, Uncle Bob made the best potato soup ever. And he used to come in our room after we were in bed and tell me and my brother stories about himself, our mom, and our aunts and uncles when they were growing up. We laughe and laughed and laughed, and would beg "one more story" when he would try to leave. We would only stop after Grandma came in and yelled at all three of us to be quiet and go to sleep. Was a great time. I miss you a lot Uncle Bob. Love you.
