“ I’m so glad I got to spend a year with Bally at the Post Office. He checked his mail every day around the same time and was always a jokester. Bally will be missed by many at the Kimbolton Post Office.

“ *Betty and Family, I am so sorry to hear about the passing of Bob, unfortunately, I never had the chance to meet him. I am sure that he was loved by his family and friends, he will also be missed by his motorcycle riding buddies, especially his wife, Betty. Betty, I remember listening to you tell me at bingo how you and your husband would ride together, you even had your own motorcycle. That must have been some of the best times in your lives, riding together and enjoying your time together. I will keep his soul in my prayers and for the family he has left behind, that God will give you the strength to accept the rest of your earthly journey until you can be reunited with Bob.*
