“ My condolences go to you and your family for your lost. May you find true comfort in the hope that God's Word the Bible gives you. This hope is found at John 11:25,26 where Jesus said that those exercising faith in him even though they die will come to life. How comforting it is to know that you have a hope of your loved one being resurrected back to life and being with her again. May you keep this precious hope in your heart and reflect on it for comfort and strength and also in the hope of death being done away with soon. This hope is found at Psalms 37:11,29 where it speaks of living forever on earth in peace. If you would like to see more about this wonderful blessing from Jehovah God contact me at:
