“ I am here to speak of a man we love, like, admire, and even some have hated. Many of you knew my father as someone who had lived his life, who partied and who most of the time was the life of the party. Everyone thinks that his good times were when he was in the streets, dancing, and drinking. But I am here to tell you about a man who in the last 2 years found a peace that is just hard to explain but one that you only find through Christ. But his good times was when he was sitting at the table reading his bible, praying for his loved ones, and dancing and singing unto God. But most importantly his last wish was to be home with the Lord.

*Hebrews 4:10*

*For he that is entered into his rest, he also hath ceased from his own works, as God did from his.*

*My father entered his rest in on the seventh day, such as God rested on the seventh day. Now his work here on earth has ended.*

“ Dear Jesus,

*Thank you SO much for loaning us Bobby Fields. So many of us came to know You because of his great love. He stood for us when we couldn't stand for ourselves. He fed us when we were hungry. He comforted us when we grieved. He led us when we were blind. He laughed with us and taught us joy. Perfect? No, but precious and valuable beyond belief. Thank you for the difference he made in our lives.*

*In the name of Jesus  
of Nazareth,*

*Amen ##imported-begin####imported-end##*

“ To the dear family of Bobby Fields, we also feel your deep sorrow for your loss of Bobby. We moved from Cambridge many years ago, but Debbie's family and friends have kept us up to date on old friends. We both want to share that Bobby was a person that made you feel great to be alive and had that personality to cheer you on. Please remember, to keep him in your heart is to keep Bobby Fields alive forever more. God Bless, :##imported-begin##charlie &debbie Roland Cortese##imported-end##
