“ My name is Butch Francis and my wife is Dee Dee. We want the Knight family to know we are truly sorry for your loss. You have our sympathy. Rodney and I first met our freshman year and I would like to say we have been friends ever since. Was happy to have him work for us and was even happier for the quality in his workmanship. We too will miss him and pray the Knight family will be able to fill the void with fond memories.

“ Bro.Rodney, as my brother in Christ, I want you to know how much I appreciated your prayers, friendship,and encouragement! You were a rock for me when Jason was deployed in the Marines, how you loved talking about your promise to live for God, if he would He would get you home safe! He did, and what a difference He made in your life and the lives of those you touched! I'll see you again!

“ I didn't know Rodney, though I worked with his daughter Jennifer for many years. She was always true and honorable in her actions, I can only imagine she got this in part from her father. If knowing her was any indication of the type of man Rodney was then the world is a darker place without him in it. My deepest condolences to his entire family this sad time. Brightest blessing upon you all. Rest well Mr. Knight your light will be missed.

“ It is fitting that a man such as Mr. Rodney Knight be born on the 4th of July, he was a true American Patriot. As a United States Marine Rodney endured the trauma of Combat in Vietnam, being severely wounded. Once a Marine always a Marine! Fair Winds and Following Seas Marine.

The U.S. Marine Corps Hymn

*From the Halls of Montezuma
To the Shores of Tripoli;
We fight our country's battles
In the air, on land and sea;
First to fight for right and freedom
And to keep our honor clean;
We are proud to claim the title
of United States Marine.*

*Our flag's unfurled to every breeze
From dawn to setting sun;
We have fought in every clime and place
Where we could take a gun;
In the snow of far-off Northern lands
And in sunny tropic scenes;
You will find us always on the job--
The United States Marines.
Here's health to you and to our Corps
Which we are proud to serve
In many a strife we've fought for life
And never lost our nerve;
If the Army and the Navy
Ever look on Heaven's scenes;
They will find the streets are guarded
By United States Marines.*

Rest in Peace Marine.
