“ So sorry to hear about the physical passing of brother Roger. But he's finally home.  
I remember when I first met Roger at Stop 9 when we were both young men in our 40's.  
We along with John Moore, and Jim Scott were tagged by Abe Miller to be members of a newly formed Finance Committee. Roger was my all-time favorite song leader and I always remember when he lead "His Grace Reaches Me" he pointed upward with his index finger. I know what it means to lose a cherished love one, but praise God and hang tight to Jesus and we will soon see and be with our loved ones when we also come home.
