“ Ronny, I believe, was my only male classmate in a class of 12 at Liberty Elementary School. We survived nicely and I will always remember Ron as a nice quiet, well balanced friend. As usually happens, we lost track of each other in later years, but I did keep up on him through my Uncle Willard Davis. I often meant to look Ron up some day but we too often do not pursue our good intentions. I thank him for his Military Service and wish all the Best to his family. Ron was a good man and hope to find him on the other side in the future.
