“ Sorry to hear of your loss. I really appreciated all the support he gave me at the plant. His advice and explanations made that crazy time a bit less hectic. He told it like it was and was ornery as he could be. I'm sure he kept his FL neighbors hopping. May he rest in peace.

“ *Sorry to hear of Ron's passing, so close to his brother Marle's. I used to speak with him sometimes when he lived in Ohio and would come out to Salt Fork where I walk. He mentioned his name and I asked him if he had a brother, Merle, with who I used to work before he retired. From then on we engaged in conversation whenever we happened upon each other Much condolence to his family in this time of grief.*
